

Enrolment 2008

Continuing Students

This year you will only need to enrol in the enrolment component for each course (except for a couple courses, outlined in below) as all other components within the course are automatic enrolments.

- Please use the below class numbers for your individual year to enrol.
- You are reminded that you are to enrol in all courses.
- Please make sure that you enrol in the Annual Examination for your correct year.
- **Students are reminded that you will be given an accurate timetable during your introductory session on your first day back at Uni. The times and days on Access Adelaide will give you an idea of your timetable, but there are some non-university timetabled classes, such as clinic's which do not appear. You should plan to be at Uni 9am to 5pm each day throughout the year.**

The opening time for current/continuing Bachelor of Dental Surgery, Bachelor of Oral Health and Bachelor of Science Honours (Dental Science) is **Monday 7 January 2008 at 1pm**. Enrolment will be done online as in previous years, please use the following link, <http://www.adelaide.edu.au/enrol/steps/> and follow the steps to complete your enrolment.

For any enrolment problems please contact Enrolment Help, either phone +61 8 8303 3833 or email at enrol.help@adelaide.edu.au
